

## Stark County Accessibility Statement

Stark County's goal is to provide a website that meets or exceeds the level of AA compliance established by the World Wide Web Consortium's Web Accessibility Initiative (WAI). The guidelines include Section 508 of the Rehabilitation Act requirements along with Web Content Accessibility Guidelines (WCAG) 2.1 and explain how to make web content more accessible for people with disabilities.

We welcome your comments about the usability and accessibility of [www.starkcountyohio.gov](http://www.starkcountyohio.gov). If you are having a problem accessing any part of our website, or would like to make a suggestion for improvement, please complete our Contact Form or email us at [webmaster@starkcountyohio.gov](mailto:webmaster@starkcountyohio.gov).
